Thank you Irving Materials, Inc (imi) for your partnership

INDIANAPOLIS, IN – FC PRIDE SOCCER CLUB would like to thank imi for serving as our game day jersey sponsor for the last four years.

Headquartered in Greenfield, IN, imi serves as a building materials supplier that operates throughout the Midwest and Southern US. Because of our partnership with imi, FC Pride received construction materials, sand, gravel and additional supplies to help build our state of art turf field. We could not have built it without imi's assistance.

Please join us in thanking imi for supporting FC Pride Soccer Club and for their commitment to our soccer community.
