NEED HELP WITH REGISTRATION FEES?

DICK'S Sporting Goods and The DICK'S Sporting Goods Foundation believe in the transformative power of sports to change lives. But not all kids have access to sports because of the cost of registration fees. That is why we've partnered with Every Kid Sports, a 501(c)3 nonprofit, to help provide registration fee support to families that qualify.*

Parents or guardians can apply for assistance at everykidsports.org/every-kid-sports-pass/ or by scanning the QR code.

*Qualifying families can apply for up to \$150, once per season (fall, winter and spring) per child, to cover youth sports registration fees.
