

FC PRIDE UPDATE October 2025

MESSAGE FROM SHANNON COLEMAN

Club President

Welcome back, FC Pride families! The fall season is officially here, and I am excited to see our players and our exceptional coaches back in action on the fields.

This season offers opportunities not only for growth in the game but also for deepening the connections that make our club so unique.

Looking ahead, mark your calendars: the 24 Hour Soccer Marathon Fundraiser returns February 6–7, 2026. This player-driven event has become a highlight of our year, and I cannot wait to see the energy it brings to our entire club.

On behalf of the board and staff, thank you for your continued support of FC Pride. Here's to a season filled with success and unforgettable memories!

Shannon

MESSAGE FROM JAMIE GILBERT

Exec/Director of Coaching

What a great start to the 2025–2026 season! Our first ECNL and Regional League event in St. Louis was a huge success. The results were outstanding, and six FC Pride players earned spots in the Spotlight Games!

At the Academy ages, new staff are bringing fresh energy and ideas into training. The impact is already clear, and it is only the beginning.

In just six weeks, our senior teams will be back on the fields. Until then, we are cheering on our players as they represent their high schools this fall.

Each week, we love seeing FC Pride alumni shine in college games across the country. We are proud of you and wish you continued success!

Jamie

MEET COACH GABE NAUDIN

ECNL Boys 2012/2013 Coach

New season... same expectations.. win!

With every year I let all my teams know that if we are not aiming for the highest possible achievement, then what are we doing? The 2012s will look to build on all the good they have already done but they know, as well as anyone, good is not the goal.

I am excited to usher in the newest ECNL team in the 2013s as I think we have a team that can surprise a lot of people. It will always be a process but they are in a good spot to attack their 1st year in the league.

Gabe

Golden Oak Lending

Surely you are familiar with Golden Oak Lending, our preferred mortgage lender, as you have seen their logo on our practice kits over the last 3 years and now our game day jerseys, as well. They are a huge benefit to our club as they help subsidize the cost of our travel program.

Golden Oak Lending has an office right here in Indianapolis, off Allisonville Road. They can save homeowners money on their mortgage every month. If you have any home lending needs, or just a question about your current mortgage, feel free to reach out to Andy Stephenson Vice President and Branch Manager. He would be happy to help any FC Pride families in need.
