FOR IMMEDIATE RELEASE

FC Pride Soccer Club Announces Exclusive Healthcare Partnership with OrthoIndy and Hancock Health

Indianapolis, IN — February 20, 2026 — FC Pride is proud to announce a new, exclusive partnership with OrthoIndy as the Official Orthopedic Provider and Hancock Health as the Official Healthcare Provider of FC Pride Soccer Club.

This partnership establishes OrthoIndy and Hancock Health as the exclusive healthcare partners of FC Pride’s Women’s Premier League Soccer (WPSL) and National Premier Soccer League (NPSL) teams, including prominent game-day jersey sponsorship on home and away kits. The collaboration extends to our travel program players, providing comprehensive orthopedic and sports medicine care, injury prevention resources, streamlined access to treatment, and trusted medical expertise to support the long-term health and performance of every FC Pride athlete.

“We are thrilled to welcome OrthoIndy and Hancock Health as our exclusive healthcare partners,” said Shannon Coleman, President of FC Pride Soccer Club. “Their commitment to health, wellness, and athletic excellence aligns seamlessly with FC Pride’s mission to develop strong, confident athletes and support them at every stage of their journey.”

Through this partnership:

- OrthoIndy will serve as the Official Orthopedic Provider of FC Pride Soccer Club.
- Hancock Health will serve as the Official Healthcare Provider of FC Pride Soccer Club.
- This exclusive partnership will include all league players and families across ECNL, ECNL RL, Pre-ECNL, ISL, Women’s Premier Soccer League (WPSL), and National Premier Soccer League (NPSL), as well as our recreational program.
- Both OrthoIndy and Hancock Health logos will be featured prominently on FC Pride’s WPSL and NPSL home and away jerseys.

This partnership reflects a shared commitment to excellence in athlete care. Together, we are investing in the health and strength of every athlete.
